HR Access at Personal Swiss 2008

Expansion of company presence in Switzerland and new solutions: HR Access at Personal Swiss 2008, April 22-23, 2008

Frankfurt / Paris, April 15th, 2008.

The main topics at the **HR Access Solutions booth (Hall 6, Booth H13)** at this year's Personal Swiss Show in Zurich will focus on the **expansion of the company's presence** in the **German-speaking parts of Switzerland** and the additions to the product portfolio for the Swiss market. The provider of software solutions and outsourcing services for personnel management plans to expand its partner network in Switzerland this year and to hire new employees on location there.

HRa Suite, the main HR Access product, supports all the business processes commonly used in personnel departments: personnel information and management, payroll processing, strategic HR and talent management and time and attendance.

HRa Suite solutions are already **available in seven languages and eleven localized country versions**.

Very recently, HR Access has launched its new solution **HRa Suite 7**, an innovative solution that introduces a range of new concepts and significantly enhanced functional and technological features. HRa Suite 7 has the advantage of being based on the core HRa Suite solution, which already has well-established reputation for performance and efficiency. **HRa Suite7 is expected to be available for Switzerland in a localized version in the coming year**. In order to meet growing market demands, in Switzerland, HR Access continues to expand a comprehensive set of HR dedicated services and the full scope of required tools and expertise, through outsourced services based on HR Access solutions. **Just recently, the HR Access payroll processing system has been certified by the Swiss National Accident Insurance Organization (SUVA) according to the guidelines for payroll data processing.**

In 2007, Klaus Lindinger came on board as a new Managing Director for Germany and Switzerland. He reports directly to Michel Picaud President and CEO, HR Access EMEA who is based in HR Access headquarters in Paris. HR Access Solutions was formed in October 2003, following Fidelity Investments' acquisition of the HR Access software vendor business and the corresponding development department from IBM.
